Dear Sir/ Madam,

Subject: Update/Intimation Under Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In continuation to the earlier disclosure dated **March 12th, 2026**, regarding the disruption in the supply of Ammonia and the consequent impact on our manufacturing operations due to the ongoing geopolitical conflict in the Middle East, the plants have been placed in a partially non-operational phase .

We wish to inform you that the global ammonia supply chain remains dynamic due to the ongoing West Asia conflict, availability has started improving, enabling us to gradually restart the production of Ammonia-based products, including **Methylamines, Ethylamines, and their derivatives**.

The Company continues to closely monitor the situation and remains in active discussion with alternative suppliers to ensure long-term stability in the procurement of raw materials.

You are requested to take note of the above.

Thanking you.

Yours Faithfully,

For Balaji Amines Limited

Abhijeet Kothadiya
Company Secretary & Compliance Officer
